■ **"So Glad I Made It: The Saga of Roger Salloom"** (★★★½). Salloom is an eccentric singer-songwriter who decades ago had several brushes with potential stardom but never quite made it. Now, after 20 years out of the music biz, Salloom decides to give it another shot. Problem is, it's harder than ever to get that big break. That Salloom deserves stardom (after hearing him, you'll see what I mean) makes his story all the more compelling and poignant.
